

WEB SITE EVALUATION

URL _____

1. Which company or organization is sponsoring the website? _____
(If you cannot answer this question, this is not a valid research site.)
2. How did you verify the legitimacy of the organization? (Identify a postal address, phone number. Simply an email address is not enough.)
(If you cannot verify the legitimacy, this is not a valid research site.)
3. Does the site list sources of information so that you can verify it against OTHER sources? Have you seen similar information in OTHER credible sources? (Consider other formats such as print and media.) Explain.
4. When was the page last updated? _____
(If the information is not current, this is not a valid research site.)
5. Is the site free of grammatical, spelling, and other typographical errors? _____
